

# Root Position Major Triads

A root-position **major triad** is composed of three notes stacked in thirds.

The interval between the bottom two notes (root and third) is a major third (M3).  
 The interval between the top two notes (third and fifth) is a minor third (m3).  
 The interval between the bottom and top notes (root and fifth) is a perfect fifth (P5).

Answers in this exercise are limited to **close root-position major triads**.

1. Create close root-position major triads using the provided notes as roots.

Create the third of the triad by adding a note a M3 above the root.  
 Create the fifth of the triad by adding a note a P5 above the root (a m3 above the third).

1	2	3	4
5	6	7	8

2. Triad position is indicated for each of the notes below. Add notes to create close root-position major triads.

1	2	3	4
third	third	fifth	root
5	6	7	8
fifth	third	root	fifth
